

**TOWN OF SUNDRE
NATURAL GAS SERVICE CONSTRUCTION
QUOTATION**

Name of Applicant -	Date -
Mailing Address -	Address of Installation -
Phone -	Phone -

- The construction of the natural gas service between the gas main and the gas meter shall be the responsibility of the Town of Sundre.
- The Town of Sundre will levy charges against the owner of the property or such party requesting service on behalf of the property owner in accordance with the charges listed below for the installation of the natural gas service.
- Town of Sundre Gas Department will perform a site inspection before any gas permit is approved in order to assess the requirements for the installation.
- Services requiring above 4 ounces per square inch pressure will be done at cost and will require a more detailed cost estimate. Please notify the Town of Sundre Office if this is required.
- This quotation, once signed by the property owner or their agent will constitute an agreement between the applicant and the Town of Sundre.
- Town of Sundre construction season is from April 15 – October 31 each year.
- Policy #401 – Natural Gas Service Construction Policy is available at www.sundre.com

CHARGES

For services at 4 ounces per square inch pressure the following charges apply:				
SERVICE SIZE		PE MAIN	STEEL MAIN	*Some locations may require an additional charge for Hydrovac exposure of the main gas line. (Please see below)
¾ inch		\$1,175.00	\$1,350.00	
1 inch		\$1,300.00	\$1,475.00	
1 ¼ inch		\$1,425.00	\$1,600.00	

* Exposure of the main gas line by a Hydrovac or similar system will be charged at cost plus 15 %.
(An average Hydrovac cost is 850.00)

NOTE: The above installation Charges only apply during the Construction Season of April 15 – October 31st, or when the Town installs the gas line, otherwise charges will include parts and labour provided by the Town.

I hereby agree to pay the Town of Sundre the costs as outlined above for the installation of natural gas service at the address indicated,
