Policy Statement

The Town of Sundre values the commitment made by its volunteer Fire Fighters and believes in formally recognizing those commitments. The Town believes it is important to reward the dedication of the firefighters to enhance morale and to retain their service.

Purpose for Policy

The purpose and intent of the Years of Service Awards is to recognize long term commitment to the Sundre Fire Department and for the Town to acknowledge that commitment by way of presentation in appreciation for their service.

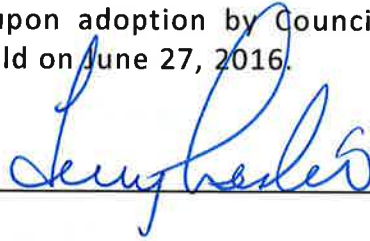

Responsibilities

Fire Chief

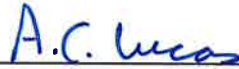

The Fire Chief is responsible for annually awarding members of the Fire Department who have completed their years of service as outlined in C-043-00 PRO Volunteer Recognition of Service and Retirement Procedures.

Approval

This policy came into force and effect upon adoption by Council of the Town of Sundre at their regular Council meeting held on June 27, 2016.
