### DO NOT

Put these items in your GREEN ROLL OUT CARTS

- ✗ NO Plastic, Glass, Ceramics
- ✗ NO Metal, Foil, or Styrofoam
- ✗ NO Synthetic materials such as Vinyl, Nylon, or Polyester
- ✗ NO Feminine Hygiene Products or Diapers
- ✗ NO Tree Trunks, Branches, Roots or Sod – you can take these to the Sundre EcoSite for FREE disposal in the Burn Pit.
- ✗ NO Bones
- ✗ NO Paper Products (recycle them!)

### Composting Tips

Any contamination of compost with non-organic materials such as plastics renders the compost unusable. NEVER put plastic or any other non-organic material in your green Compost Bin. Keeping your Compost bin in a dry place will keep the material from sticking to the bin. You may place one sheet of newspaper in the bottom of the bin to aid in waste release.

If your Compost Bin is contaminated with nonorganic or other unacceptable materials, it may be tagged and not be picked up.

### BLACK ROLL OUT CARTS

- ✗ NO Hazardous Waste (Paint, cleaning chemical etc)
- ✗ NO Motor Oil, Automotive Batteries, Dead Animals or Soil

Town of Sundre 403-638-3551  
www.sundre.com

Town Cost to Dispose:
