SUNDRE FLAG INITIATIVE

The Town of Sundre would like to promote to both it's community and visitors that we are a Patriotic community and are proud to display all of Canada's flags. To assist us in achieving the aspirations of our Council we have started a project called the Flag Initiative.

The Flag Initiative will result in the assembly of the flags of our Country including the Canadian flag, each Province & Territory and our Town of Sundre flag. These flags will be displayed on 25' poles and will be visible to each visitor through our beautiful town. The placement of the flags will be between 5th Street SE and the Red Deer River bridge.

The total cost of this project is expected to be approximately \$20,000. The initiative is funded solely on donations from the community at large. We are asking for a monetary donation to the Town of Sundre for the Flag Initiative. Your kind donation will help reduce the cost of purchasing the products required for this project. The recognition system is as below:

GOLD SPONSOR - \$1,000.00 donation: Name on plaque attached to flagpole in large print, letter from the Mayor, recognition through newsprint and Town of Sundre website.

SILVER SPONSOR - \$500.00 donation: Name on plaque attached to flagpole in small print, recognition through newsprint and Town of Sundre website.

BRONZE SPONSOR - less than \$500.00: Will receive recognition through newsprint and the Town of Sundre Website.

Please forward any questions to Kim Galloway by email: kim.g@sundre.com.
